

We have been protecting schools, offices, restaurants, airports, grocery stores, etc., as these high traffic environments are always susceptible to germs and bacteria. With our innovative, new Windup system, we are now able to bring that protection to households around to the world.

WE'VE MADE A BUSINESS OUT OF BEING RELENTLESS.

Around to the world, we will clean and protect every space where people live, work and play. 2XL is committed to providing exceptional products and services that help our customers achieve peace of mind. Our expert team works together to engage industry leading practices, innovate new ideas, and provide the resources that continually enhance our value and exceed customer expectations.

For over 25 years, 2XL has been a leading manufacturer of smart, healthy, cost-effective hygienic products. 2XL is a growth-oriented company that has expanded from fitness and wellness into hospitality, healthcare, facilities, education, military and now right into your home!

2XL IS GLOBAL

We provide innovative cleaning solutions to people worldwide. Since we opened our doors more than two decades ago, we've become a trusted manufacturer and supplier of cleaning products to prevent infection and sickness throughout the world.

2XL Corporation is on a mission to dominate clean all over the globe.

STEP INTO A NEW AGE OF CLEAN WITH WINDUP

GO BEYOND

From the super absorbent material roll to the “ergo” handle, we’ve engineered every inch of this dynamic unit; creating a bold new design that cleans beyond the average and takes you into the future of clean.

WINDUP ALLOWS YOU TO COVER MORE FLOOR SPACE, AT A FRACTION OF THE COST OF USING DISPOSABLE CLEANING PADS.

With a simple touch of a button, advance the roll for a new cleaning surface and be assured you will use every inch of our micro fiber material rather than throwing away partially dirty pads. That means, you do not have to push or smear dirt around your floor to try and maximize disposable pad surfaces.

GET WOUND UP ABOUT WINDUP!

Windup's disinfecting multi-surface floor cleaning formula is fast drying and leaves no dull or sticky residue.
