ABOUT INNOVATIVE IDEAS LIMITED

INNOVATIVE focuses on developing ODM products utilizing third-party manufacturing facilities and leveraging the power of direct response television advertising. Working across 5 major categories, Fitness, Personal Care, Kitchen, Household, and DIY, Innovative introduces approximately 15-20 new products per year. Our range of products is sold via importers, retailers, television distribution companies, mail-order catalog companies, and internet retailers.

With a solid reputation as one of the premier suppliers to the industry, The INNOVATIVE group of companies currently sells and distributes products into more than 60 countries around the globe. Regular participation at international trade shows, (International Home + Housewares Show, Hong Kong Housewares show, Kenfair Mega Show 1), introducing new products.
