StoneArt

Plant Pots

StoneArt planters are made from a proprietary blend of resin and natural stone powders. Each StoneArt planter has a different marble look. They are made from 100% recycled material and are fully recyclable. The StoneArt planters are lightweight, break-resistant, durable, and long-lasting. They come with a self-watering system, which helps reduce the frequency of watering. StoneArt planters are ideal for both indoor and outdoor environments.

ArtLumin

Plant Pots

ArtLumin planters are made from resin and organic fibre. Each ArtLumin planter has a different metallic and glossy look. They are made from 100% recycled material and are fully recyclable. ArtLumin products are lightweight, break-resistant, durable, and long-lasting. They are suitable for indoor use.
